

Purpose Statement

I am not a Christian communicator for Christians. I am a communicator for people who may one day realize that Christ has always been relevant. He is for every generation! I have been called to grow a team of mentors who are as strong in their faith as they are concerned for the next generation. Together, we will co-learn how to be as shrewd as snakes and as innocent as doves to reach younger adults (Matthew 10:16 NIV) *

In my effort to connect, I will be shrewd, I will be to the point and I will make every effort to be sure my heart is in the right place. The way that I engage will sometimes look like silly kazoo's, kids' toy bridges or off-color humor and strong ideas. This is to reach an audience that has left their faith in scary big numbers - like 72%! They straddle the fence between light and darkness. Our polite churches don't often reach them.

I love the church because it is the bride of Christ. I attend church, I respect leadership and I serve locally. If your needs are being met by a polite church where you can soak up Bible teaching for decades and you want to "keep the world out" of your church, my ministry is not for you. You may find remarks that appeal to younger generations, but not to you. You don't have to 'like' me or follow me on Facebook. Or pay attention to me at all. I promise I will not have hurt feelings (very much). I know I'm not 'preferred' by everyone and I am not trying to reach everyone.

If however, you have a heart to reach younger generations by being an example of God's love, and if you want to relate and connect with them, please hang out here with me. Together we will learn how to connect to younger generations. Together, we may offend polite Christians in the process of engaging those who have walked away from faith. I am okay with offending. I am not okay with a large percentage of the younger generations turning from faith and I will employ techniques that reach them.

If you feel the same way, I invite you to join me! Stay close. God has scary big work to do in the future church and I want to be a catalyst for what He is doing!

*"I am sending you out like sheep among wolves. Therefore be as shrewd as snakes and as innocent as doves. -Matthew 10:16 NIV

Will you join me?
